

Minneapolis PD Use-of-Force across top 12 response reasons

Minneapolis police use-of-force incidents, 2022-Jan 2026. Response reasons, named 'problem' in the original data, are the reason the police contact was initiated. Force levels are defined by MPD. Source: MinneapolisData Open Data Portal.

Level 1 force is the lowest, resulting in temporary pain but no injury. Level 2 force causes injury or pain, involving strikes or an intermediate weapon (e.g. taser). Level 2+ denotes a strike to the head or neck. Level 3 force causes substantial bodily harm, great bodily harm, or death. Critical incidents denote high-profile incidents and/or harm to an officer.
